I refer you my Dear Sir to mine of 6<sup>th</sup> written on the eve of my departure from De Kalb.

This will corroborate my then intention and inform you of my this day having deposited in the Manhattan Branch Bank in this town subject to your order All the Bonds, Mortgages etc of the township of De Kalb.

I again send my regret in not being able to visit Cooperstown, 6 days have I been on the road and no further than this place.

Believe me with much respect,
